

Request to License an imported Sire for AI

Full Name of Sire: _____

Registration No. & Tattoo: _____

Country of Origin: _____

Current Owner: _____

Address: _____

Agent/Importer: _____

Agent/Importer Address: _____

Signature of Applicant: _____ Date: _____

Enclosures:

For the licensing of a Sire for the sale of Semen within New Zealand the following is required:

- A. Attach a full five generation pedigree, (i.e., animal plus Four generations) from the country of origin. Herd book numbers, colour and DOB.
- B. 100k SNP profile in final report format containing AB alleles
- C. Myophosphorylase Tested and result supplied
- D. Progressive Ataxia Tested and result supplied
- E. Parent Verification
- F. Fees - \$200 plus GST for International Sires

Once licensed as an AI sire the SNP data will be available for release to other parties at the discretion of CBNZ for research and parent verification purposes

The license may be revoked by an inquiry at the discretion of the Council. The Council may refuse to accept registration of the said bull or resulting progeny if they may do harm to the future of the Breed.
