## President's Message

### Dear Fellow Members

Hi all,

Another year is closing in on us and from a Murray Grey breeder's view it has been a very good one. Bull prices, both private and on farm sales, have been very positive. The spring and early summer have been wet making it difficult to get balage and hay made, but on the positive side the grass growth has been spectacular with cattle looking very good. It was great to have Declan Haines (Australian Youth Exchange) visiting NZ for the last 3 weeks. I would like to thank all the studs that hosted him through this period. Declan was a great help at the Christchurch show and was always available to pass on his knowledge to the younger people taking part in the youth judging and herdsman competitions. He really appreciated the efforts everyone went to making him feel welcome and to show him different parts of NZ.

In the New Year the Council is getting together to brainstorm some ideas about our future. If any members have any ideas they would like discussed please contact a council member to make your suggestion known.

Merry Christmas and a Happy New Year

George Climo
